## **1 – INTRODUCTION**

The purpose of this document is to set out the selection process and criteria that will be used by Wrestling Canada Lutte (WCL) to select or nominate athletes to 2020-2021 Junior Team events specified hereunder, as well as any other domestic or international training/competitive opportunities.

This document will be in effect from the start of the 2020 Junior Canadian Wrestling Championships to the start of the 2021 Junior Canadian Wrestling Championships.

The High Performance Director (HPD) is responsible for the development and implementation of a selection process that is fair and equitable for all candidates.

The selection criteria and process outlined in this document was drafted and prepared by the HPD in consultation with the Head Coach and the oversight of the High Performance Advisory Committee (HPAC). The HPAC is composed of athlete and coach representatives. Final approval of the policy is by WCL's Board of Directors.

## **2 – DECISION MAKING AUTHORITY**

The High Performance Coordinator (HPC) will assist the HPD in ensuring that the process outlined in this document is properly followed when making any selection decisions.

Performance-based decisions on selection include:

- Reviewing current domestic and international results;
- Yearly training plan (YTP);
- International Performance Index (IPI);
- Previous competition experience;
- Assessing the suitability of the level of competition;
- Gold medal profile (GMP);
- If no suitable participants are found, the HPD reserves the right to not select or fill a team spot.

The final decision-making authority for selection remains with the HPD.
