1 – INTRODUCTION

The Hosting Regulations (“Regulations”) is the document that governs the way that the Canadian U23 Wrestling Championships & World Team Trials (Senior Non-Olympic Weights) (“U23 Nationals”) are run, under the sanction of Wrestling Canada Lutte (“WCL”). The event is held on the last weekend in May each year.

Through the Bidding Process, WCL selects a Host Organizing Committee (“HOC”) to plan, organize and host the Championships each year. The HOC is responsible to WCL for delivering the U23 Nationals and ensuring the safety of all participants and volunteers. WCL will assist the HOC by providing advice and input during the planning and preparation prior to the event as well as carrying out all the necessary controls to ensure compliance with the Regulations and rules of wrestling during the event.

These Regulations are obligatory for the U23 Nationals. Any HOC that wishes to depart from these Regulations in whatever way, must obtain written approval from WCL (Chair of Events & Hosting Advisory Committee and / or the Executive Director) in advance. If there is any conflict, disagreement or misperception between these Regulations and any other WCL Policy, WCL’s decision on the issue will prevail.

Please note that these Regulations are subject to change in order to respond to additional COVID protocols or other government (Federal, Provincial or Municipal) or Public Health Agency requirements, restrictions or approvals. There are currently many unknowns due to COVID that could impact the hosting of this event.

2 – BIDDING PROCESS

Any HOC can submit a bid to organize the U23 Nationals. Bids are selected on a periodic basis through issuance of Request for Proposal, based on the requirements in the present Regulations.

The U23 Nationals are awarded to an HOC following an assessment of the bid application received by WCL’s Events & Hosting Advisory Committee and ratified by WCL’s Board of Directors.
