1 – INTRODUCTION

The Hosting Regulations (“Regulations”) is the document that governs the way that the Canadian Wrestling Championships (U19, U17, U15) (“Championships”) are run, under the sanction of Wrestling Canada Lutte (“WCL”). The event is held on the last weekend in March each year (unless that date falls on Easter weekend, when it will be deferred to the first weekend in April).

Through the bidding process, WCL selects a Host Organizing Committee (“HOC”) to plan, organize and host the Championships each year. The HOC is responsible to WCL for delivering the Championships and ensuring the safety of all participants, and volunteers. WCL will assist the HOC by providing advice and input during the planning and preparation prior to the event, as well as carrying out all the necessary controls to ensure compliance with the Regulations and rules of wrestling during the event.

These Regulations are obligatory for the Championships. Any HOC that wishes to depart from these Regulations in whatever way, must obtain written approval from WCL (Chair of Events & Hosting Advisory Committee and / or the Executive Director) in advance. If there is any conflict, disagreement or misperception between these Regulations and any other WCL Policy, WCL’s decision on the issue will prevail.

Please note that these Regulations are subject to change in order to respond to additional COVID protocols or other government (Federal, Provincial or Municipal) or Public Health Agency requirements, restrictions or approvals. There are currently many unknowns due to COVID that could impact the hosting of this event.

2 – BIDDING PROCESS

Any HOC can submit a bid to organize the Championships. Bids are selected on a periodic basis through issuance of a Request for Proposal, based on the requirements of these Regulations.

The Championships are awarded to an HOC following an assessment of the bid application received by WCL’s Events & Hosting Advisory Committee and ratified by WCL’s Board of Directors.

3 – CHAMPIONSHIPS OBJECTIVES

The Championships are held every year to achieve the following outcomes:

- Encourage participation and development of athletes in the U19, U17 and U15 age groups at the national level.
- Determine the Canadian Champion in each weight category and age group for each of Women’s Wrestling (WW), Men’s Freestyle (FS), Women’s Greco-Roman (WW-GR) and Men’s Greco-Roman (GR) styles.
 - This level of competition aligns with the “Formalized Training” and “Train to Compete” stages of WCL’s Long-Term Development framework.
- Ensure the highest quality presentation of the sport of wrestling for spectators and fans.
- Promote the sport of wrestling at the national, provincial and local levels.

The competition will be held according to the most recent edition of the WCL Rulebook.
