

# OPEN INVITATION TO THE CALGARY SPORT COMMUNITY

During the last few years, the six (6) combat sports NSFs (*karate, taekwondo, judo, wrestling, boxing and fencing*) have been discussing ways to join forces, build efficiencies through commonalities, share knowledge and resources.

Today, three (3) of them – Taekwondo / Judo / Wrestling – have put this into action by hosting their events simultaneously under the same roof.

We invite the entire Western Canada and more specifically the Calgary sport community to come and enjoy these Olympic sports in an Olympic venue!

Please confirm your presence so we can have passes ready for you at the Admissions desks at [rebecca@makocorpo.com](mailto:rebecca@makocorpo.com).

**From May 12-15, 2016 at the Calgary Olympic Oval you will be able to see taekwondo matches, judo bouts and young wrestlers from around the world.**
