

NCCP TRANSFER OF QUALIFICATIONS WRESTLING

As you may know, the NCCP is transitioning away from delivering Level 1, 2, and 3 programming. The Levels-NCCP system has been replaced by coach training opportunities that are grouped into three main streams: Competition, Instruction, and Community Sport. Many sports still refer to this revised system as the 'New NCCP'.

Starting in April 2017 (TBD), coaches will begin to see their Levels-NCCP qualifications "transferred" to this revised system in WRESTLING.

Q: WHY ARE MY QUALIFICATIONS BEING TRANSFERRED?

Your qualifications are being transferred so that the NCCP coaching partnership can better serve you and provide you with information and opportunities that are relevant to today's coaching demands and in today's coaching environment.

Q: HOW CAN I SEE MY NEW QUALIFICATIONS?

Your qualifications will automatically be transferred to your transcript and will be identified as "Transferred". Please note that the transfer will not be completed / recorded in the Locker until early April 2017.

Q: WILL I LOSE THE QUALIFICATIONS OR TRAINING I HAVE COMPLETED? ARE MY LEVELS-NCCP QUALIFICATIONS STILL VALID?

Everything you have completed in the NCCP will remain on your transcript. None of your qualifications will be removed and your Levels-NCCP qualifications will still be recognized by the sport community, including Wrestling Canada Lutte.

Q: WILL I NEED TO COMPLETE ANY OTHER TRAINING?

Safe and ethical coaching is the cornerstone of the NCCP. All coaches must complete the Make Ethical Decisions component of their program in order to achieve or maintain 'certified' status in The Locker.

Q: IF I HAVE ALREADY DONE THE MAKE ETHICAL DECISIONS ONLINE EVALUATION, DO I NEED TO DO IT AGAIN?

No, you will not need to take the Make Ethical Decisions online evaluation again.

Q: WILL I NEED TO DO ANYTHING ELSE?

All coaches in the NCCP must now maintain their certification by actively coaching and by engaging in professional development opportunities.

Q: HOW WERE THE QUALIFICATIONS DECIDED IN THE NEW SYSTEM?

An expert group involving the CAC staff, Wrestling Canada Lutte's Coach Education & Certification Committee, as well as additional coaching experts completed a thorough program audit and review to ensure all coaches received the correct transferred status.
