## 1 – INTRODUCTION

The purpose of this document is to present the policies and procedures for Wrestling Canada Lutte's Athlete Assistance Program (AAP); a program funded by Sport Canada. The target audiences for this document are the athletes, coaches and sport administrators who currently access or wish to access the program.

Sport Canada policies, including the Athlete Assistance Program, are designed to support amateur high performance pathway athletes that demonstrate the potential to progress to the Top 8 in the World. The purpose of the AAP is to improve Canadian performances at major international sporting events such as the Olympic and the World Championships. The program seeks to do so by relieving some of the financial pressures associated with preparing for and participating in international sport.

International podium performances at the Senior World Championships or Olympic Games, top 8, and top ½ of competing entries provide the framework for our performance standards.

Sport Canada AAP will only fund athletes who are competing in WCL approved events in preparation for the UWW 2020 Olympic program events. Athletes who wish to be nominated for a Senior or the Post-Junior Development card must accumulate nomination criteria as specified in this document.

Men's Freestyle (FS):	57, 65, 74, 86, 97, 125 kg
Women (WW):	50, 53, 57, 62, 68, 76 kg
Greco-Roman (GR):	59, 66, 75, 85, 98, 130 kg

Athletes who wish to be nominated for a Junior Development card will be able to accumulate nomination criteria in the six (6) junior weight classes (nomination criteria are weight class specific):

Men's Freestyle (FS):	57, 65, 74, 86, 97, 125 kg
Women (WW):	50, 53, 57, 62, 68, 76 kg

Please refer to Sport Canada's Athlete Assistance Policies Document (2015), which can be found on the Sport Canada [Website](#).

### 1.1 – OVERVIEW OF THE CARDING SYSTEM

The Sport Canada AAP funds Athletes at two levels:

#### A. SENIOR CARDS:

- **Senior International Cards (SR1/2)** (\$1,765.00/month). Criteria as determined by Sport Canada.
  - An athlete who achieves a Top 8 AND Top Half Performance in an Olympic Event at a Senior World Championship or Olympic Games;
- **Senior National Cards (SR)** (\$1,765.00/month). Criteria as determined by Wrestling Canada Lutte.
  - First year Senior National Card (C1) (\$1,060.00/month)

## B. DEVELOPMENT CARDS:

- **Development Cards (D):** (\$1,060.00/month)

An athlete who has qualified for a development card as well as qualified for a senior card has the choice to accept either the development card or the senior card.

## 2 – CARDING ALLOCATIONS

Sport Canada has awarded the equivalent of 16 Senior Women’s Cards (\$338,880) and 9 Senior Men’s Cards (\$190,620) for AAP funding to WCL for the May 2019 to April 2020 Carding cycle. Sport Canada will review the card quota for all sports after the 2020 Olympics and Paralympics. In the event that WCL’s carding quota changes, WCL may have to modify the allocation of cards based on the principles noted above. Any modifications approved by Sport Canada will be communicated to athletes and coaches in a timely manner.

The funding will be allocated by WCL as follows:

### SENIOR CARDS:

Men	8 athletes
Women	14 athletes

### DEVELOPMENT CARDS (minimum):

Men	1 athletes
Women	3 athletes

## 3 – DECISION AUTHORITY

The High Performance Director (HPD), or their designate, is responsible for the development and implementation of a carding program that falls within Sport Canada AAP guidelines and parameters. The High Performance Manager (HPM) will assist the HPD in ensuring that the process outlined in this document is properly followed. The High Performance Advisory Committee (HPAC) will provide oversight in the development and implementation of the Carded Athlete Program.

WCL does not grant AAP Cards to Athletes. Athletes eligible for a Sport Canada AAP Card are nominated by WCL to Sport Canada based on the criteria outlined in this document and AAP policies. All nominations are then reviewed and approved independently by Sport Canada.

The WCL AAP program will be overseen by the High Performance Director (HPD), or their designate, and managed by the High Performance Manager (HPM).

- a) Must be a current registered member of, and in good standing with the WCL<sup>1</sup>;

## 5 – CARDING CYCLE AND QUALIFICATION PERIOD

The twelve-month carding cycle, which includes development cards, will run from May 1<sup>st</sup>, 2019 to April 30<sup>th</sup>, 2020. Since most of the development carding criteria falls within the summer months, nominations to Sport Canada for development cards will take place at the end of the summer (late August / early September) once the final rankings have been established. These development cards will be retroactive to the beginning of the current carding cycle (May 1<sup>st</sup>, 2019).

Athletes will be eligible to accumulate carding points (international and domestic) from the end of the 2018 Senior Canadian Championships until the end of the 2019 Senior Canadian Championships.

## 6 – GRECO-ROMAN

Athletes competing in Greco-Roman must qualify for carding by meeting the stated criteria for SR1 and SR2 cards at the Senior World Championships and/or Olympic Games. Greco-Roman athletes are not eligible for SR, C1 or development cards.

---

- a) Athletes must have placed in the top 3 Canadians in the final ranking in the Olympic weight class they are to be carded in;
- b) Athletes cannot accumulate more than 40% of their Performance Index points in a non-Olympic weight category;
- c) A maximum of one (1) athlete per weight class may be nominated based on the performance index criteria. If more than one athlete per weight class has achieved a performance index of 2.0 (men)/2.5 (women) or greater, the athlete with the highest number of international performance index points will be nominated. The remaining athlete(s) would be ranked within the Senior National Carding Identification System.

#### *8.3.5 ATHLETES WHO ARE THE 2019 TOP RANKED ATHLETE IN EACH ELIGIBLE OLYMPIC WEIGHT CLASS*

The 2019 Top nationally ranked athlete in each eligible Olympic weight class upon completion of all final ranking events for World Team or Olympic Team Selection will be eligible for nomination for a senior card.

### 8.3.6 – ATHLETES COMPETING IN MEN’S AND WOMEN’S FREESTYLE:

The remaining eligible athletes will be nominated, until the carding maximum is met, based on their position on the **Senior National Carding Identification System (SNCIS)** described in Section 9.

Athletes must have placed in the top 3 Canadians in the final ranking, in the Olympic weight class they are to be carded in, to be considered for carding via the SNCIS, unless there is an injury provision.

## 9 – SENIOR NATIONAL CARDING IDENTIFICATION SYSTEM (SNCIS)

The WCL Senior National Carding Identification System is an objective method used to rank athletes in terms of their potential to perform at the elite level of international wrestling. The identification system will be the same for both women and men. Point accumulation is specific to a single weight class.

There are five factors used to obtain an athlete's ranking:

- a) The athlete's international performance index (Freestyle)
- b) The athlete's domestic results at either of the designated Carding Tournaments (West & East)
- c) Placement at the Olympic Team Trials (in an Olympic year)
- d) Placement at the 2019 National Senior Final Ranking (Freestyle)
- e) The number of years the athlete has been carded at the SR1, SR2, SR and C1 levels

The weighting and scale of each factor is summarized in the table below:

### SENIOR NATIONAL CARDING IDENTIFICATION SYSTEM

International Performance Index			Domestic Carding Tournaments (Olympic Weight Only)		2019 National Senior Final Ranking (upon completion of all ranking events) Olympic Weight Only		Years Carded (Senior)	
Tier	FS points	FW points	Ranking	Points	Ranking	Points	Years	Points
3.0	35	17.5	1	15	1	30	< 3	5
2.9	33	16.5	2	11	2	18	3	4
2.7	30	15	3	7	3	12	4	3
2.5	27	13.5	4	3			5	2
2.3	24	12	5	2			6	1
2.1	21	10.5	6	1			> 6	0
2.0	19	10						
1.8	18	9						
1.5	15	7.5						
1.3	12	6						
1.1	9	4.5						
0.9	6	3						
0.7	3	1.5						
0	0	0						

### **9.1 – INTERNATIONAL PERFORMANCE INDEX**

A maximum of 35 points for men and a maximum of 17.5 points for women can be earned through the international performance index.

The international performance index indicates the overall success of the athlete at international competitions. The calculation of the index is outlined in the “International Performance Index” (Annex A). The above table converts the international performance index value into carding points.

The international performance index is rounded to the nearest decimal place.

### **9.2 – DOMESTIC CARDING TOURNAMENTS**

A maximum of 15 points (men & women) can be earned through participation in either of the domestic carding tournaments (Olympic weight classes only). Only the best result of the two tournaments counts for carding points. The results of domestic carding tournaments are counted to 6<sup>th</sup> place.

Each carding tournament will hold a certified weigh-in using United World Wrestling weight classes (for carding purposes, Olympic weight classes only) with a same day weigh-in. For both national carding tournaments, any athlete who is attempting to gain carding points must weigh-in on-site; all other domestic athletes may weigh in off-site provided the weigh-in is carried out by a nationally accredited official or Athletic Director.

WEST: 2018 SFU Open (+2 kg allowance)  
EAST: 2019 Guelph Open (no allowance)

If an athlete competes at a domestic freestyle tournament but is not eligible for carding points (i.e. foreign athletes, landed immigrants, athletes that did not weigh in on site, etc.) the athlete will be removed from the final rankings (for carding purposes only) and the next eligible athlete will be moved up in the ranking and will receive the corresponding carding points.

### **9.3 – 2019 NATIONAL SENIOR FINAL RANKING**

The final results of all the 2019 Senior Ranking Events are counted to 3<sup>rd</sup> place. Carding points are not allocated until the completion of all ranking events. The 2019 Ranking Events include the following:

- 2019 Senior Canadian Freestyle Championships including True Second Ranking and challenge matches;
- Wrestle-offs as per wrestle-off policies.

If an athlete places in the top 3 at the 2019 Senior Canadian Freestyle Championships, but is not eligible for carding points (i.e. foreign athletes, landed immigrants, etc.) this athlete will be removed from the rankings (for carding purposes only) and the next eligible athlete will be moved up in the ranking and will receive the corresponding carding points after all the final ranking events have occurred.

## **9.4 – YEARS CARDED**

A maximum of 5 points (men & women) can be earned through the athlete's total number of years carded.

Athletes who have been carded for several years at the senior level (SR1, SR2, SR, and C1) are expected to be earning carding points through the international performance index. As the athlete continues their development as a National Team member, they are expected to obtain international results. As such, any athlete that has been carded less than 3 years at the senior level will receive the full 5 points, whereas an athlete that has been carded for more than 6 years at the senior level will not receive any points.

## **9.5 – TIE-BREAKING CRITERIA FOR SENIOR NATIONAL CARDING IDENTIFICATION SYSTEM**

If athletes are tied in carding points at the end of the qualification period, the following criteria will be used in rank order to break the tie:

1. Placement at the Olympic Team Trials (in an Olympic year)
2. Placement in the 2019 Final Ranking
3. The International Performance Index
4. Placement at the 2018 Canada Cup
5. Placement in the 2018 Final Ranking

## **10 – DEVELOPMENT CARDING CRITERIA**

The following priority order will be used to nominate the development cards:

1. Junior World Medallists;
2. Post-junior development cards: up to the maximum remaining funds available.

Please note that normally a Development Card cannot be allocated to an athlete previously carded at the Senior Card level (C1, SR, SR1, SR2) for more than two years. An exception can be made, at Sport Canada's sole discretion, for an athlete carded at the Senior Card level for more than two years for exceptional circumstances: for example, an athlete carded as a senior card for 2 or more years while still competing at the Junior international level.

### **10.1 – JUNIOR WORLD CHAMPIONSHIP PODIUM CRITERIA - MEN'S AND WOMEN'S FREESTYLE**

Junior eligible Athletes who achieve a Podium Performance in a UWW 2020 Olympic Program event at the 2019 Junior World Championships will be eligible for nomination for a Development Card.

If there is a tie or there are too many eligible athletes for the remaining carding quota, athletes will be nominated based on their final rank using the following tiered approach:

1. Junior World Championship Final Placement
2. Senior Canadian Championship Final Ranking
3. Junior Canadian Championship Final Ranking
4. International Performance Index

5. Carding Tournament Ranking
6. Canada Cup

Where there is a tie, the next criteria down will be used as a tie breaker (e.g. Both athletes have a Top 3 at Junior Worlds - tie breaker is the Senior Canadian Championship Final Ranking) on the Post Junior Development Card Identification System.

## 10.2 POST-JUNIOR DEVELOPMENT CARDS

Where funding remains, WCL will nominate post-junior development cards up to the maximum remaining funds available.

To be eligible for this card, an athlete must satisfy at least one of the following requirements:

- Former Junior Canadian Freestyle Champion (2017 - 2019); OR
- 2018 Junior World Team Member; OR
- Placed in the top six (6) at the 2019 Senior Canadian Freestyle Championship (Olympic weight classes only).

As well as satisfy all the following requirements:

- Be 25 years or younger as of the 31<sup>st</sup> of December in the year that the card is initiated;

The athletes for the post-junior development cards will be selected based on their position on the Post-Junior Development Card Identification System described below:

There are three factors used to obtain an athlete's ranking in an Olympic Weight Class:

- a) Placement at the 2019 Canada Cup;
- b) Placement at the 2018-19 Domestic Carding Tournaments;
- c) Placement at the 2019 Senior Final Ranking.

The weighting and scale of each factor is summarized in the table below:

### POST-JUNIOR DEVELOPMENT CARD IDENTIFICATION SYSTEM

2019 Canada Cup Olympic Weights Only		Domestic Carding Tournaments Olympic Weights Only		2019 Senior Final Ranking Olympic Weights Only	
Place	Points	Place	Points	Place	Points
1 <sup>st</sup>	6	1 <sup>st</sup>	6	1 <sup>st</sup>	10
2 <sup>nd</sup>	5	2 <sup>nd</sup>	5	2 <sup>nd</sup>	8
3 <sup>rd</sup>	4	3 <sup>rd</sup>	4	3 <sup>rd</sup>	7
4 <sup>th</sup>	3	4 <sup>th</sup>	3	4 <sup>th</sup>	6
5 <sup>th</sup>	2	5 <sup>th</sup>	2	5 <sup>th</sup>	5
6 <sup>th</sup>	1	6 <sup>th</sup>	1	6 <sup>th</sup>	4

### *10.2.1 – 2019 CANADA CUP*

A maximum of 6 points (men & women) can be earned through participation in the 2019 Canada Cup (Olympic weight classes only).

The results of the 2019 Canada Cup will be counted to 6<sup>th</sup> place.

### *10.2.2 – DOMESTIC CARDING TOURNAMENTS*

A maximum of 15 points (men & women) can be earned through participation in either of the domestic carding tournaments (Olympic weight classes only).

The results of domestic carding tournaments are counted to 6<sup>th</sup> place with only the best result of the two (2) tournaments counting for carding points.

Each carding tournament will hold a certified weigh-in using United World Wrestling weight classes (for carding purposes, Olympic weight classes only) with a same day weigh-in. For both national carding tournaments, any athlete who is attempting to gain carding points must weigh-in on-site; all other domestic athletes may weigh in off-site provided the weigh-in is carried out by a nationally accredited official or Athletic Director.

WEST: 2018 SFU Open (+2 kg allowance)  
EAST: 2019 Guelph Open (no allowance)

If an athlete competes at a domestic freestyle tournament but is not eligible for carding points (i.e. foreign athletes, landed immigrants, athletes that did not weigh in on site, etc.) the athlete will be removed from the final rankings (for carding purposes only) and the next eligible athlete will be moved up in the ranking and will receive the corresponding carding points.

### *10.2.3 – 2019 FINAL RANKING*

The final results of all the 2019 Ranking Events are counted to 3<sup>rd</sup> place. Carding points are not allocated until the completion of all ranking events. The 2019 Ranking Events include the following:

- 2019 Senior Canadian Freestyle Championships including True Second Ranking and challenge matches;
- Wrestle-offs as per wrestle-off policies.

If an athlete places in the top 3 at the 2019 Senior Canadian Freestyle Championships, but is not eligible for carding points (i.e. foreign athletes, landed immigrants, etc.) this athlete will be removed from the rankings (for carding purposes only) and the next eligible athlete will be moved up in the ranking and will receive the corresponding carding points after all the final ranking events have occurred.

### 10.3 TIE-BREAKING CRITERIA FOR POST JUNIOR DEVELOPMENT CARD

If athletes are tied in carding points at the end of the qualification period, the following criteria will be used in rank order to break the tie:

1. Placement at the Olympic Team Trials (in an Olympic year)
2. Placement in the 2019 Junior Final Ranking
3. The International Performance index
4. Placement at the 2019 Canada Cup
5. Placement in the 2019 Senior Final Ranking

## 11 – OLYMPIC GAMES

An athlete who qualifies to represent Canada as the final entry for the Olympic Games, through the International qualification system (Freestyle), will automatically be nominated for an SR card during the Olympic carding cycle.

The winner of the Canadian Olympic Trials (Freestyle) will receive 30 carding points (equivalent to 1<sup>st</sup> place at the 2020 Senior Final Ranking). The carding points at the next Senior Canadian Championships (in that same Olympic year) will change to:

1 <sup>st</sup> place:	18 points
2 <sup>nd</sup> place:	12 points
3 <sup>rd</sup> place:	6 points

In the event the winner of the Team Trials competes in the Senior Canadian Championships (in that same Olympic year), they will receive no carding points for their participation in the Senior Canadian Championships; the next eligible athlete will be moved up in ranking and will receive the corresponding carding points.

## 12 – PROGRESSION CRITERIA

In order to be nominated for carding, athletes who are entering their 8<sup>th</sup> year past United World Wrestling junior age, must achieve international performance standards as outlined below, in addition to meeting all the other senior national carding and ranking criteria:

- a) An athlete who have demonstrated one of the following performance markers will be eligible for nomination at the SR level for one (1) additional year:
  - i. Wins the 2019 Senior Pan American Championship - weight class specific;
  - ii. Defeats a 2017 or 2018 Senior World Top 5 or 2016 Olympic Top 5 at a WCL endorsed or UWW sanctioned event – weight class specific;
  - iii. Medalist at the 2017 or 2018 Senior World Championships in a Non-Olympic weight class.

- b) An athlete who has achieved senior international criteria within the 6<sup>th</sup> to 8<sup>th</sup> years post United World Wrestling junior age may be nominated at the SR level for two (2) additional years after which he/she must meet the senior international criteria or have earned an international performance index of 2.0 (men)/2.5 (women) or greater to be eligible for nomination in each year.
- c) An athlete who has achieved an international performance index of 2.0 (FS)/2.5 (WW) or greater within the 6<sup>th</sup> to 8<sup>th</sup> years post United World Wrestling junior age may be nominated at the SR level for one (1) additional year after which he/she must meet the senior International Criteria (Article 8.1) or have earned an international performance index of 2.0 (FS)/2.5 (WW) or greater to be eligible for nomination in each year.

An injury provision will count towards the maximum number of years at SR/C1.

## **13 – PROVISION FOR ILLNESS, INJURY OR PREGNANCY (SR1, SR2, SR, AND C1 ATHLETES ONLY)**

Illness, injury or pregnancy may prevent a current senior carded athlete from attending a sufficient number of competitions in order to re-qualify for carding.

The injured, ill or pregnant athlete (currently holding a card) will still be able to obtain carding points through the injury, illness and pregnancy provision as outlined below. The injured, ill or pregnant athlete (currently holding a card) will then be ranked with all other athletes using the points obtained through the injury, illness and pregnancy provision and must still re-qualify for carding based on their points total.

Athletes will not be eligible for injury, illness, or pregnancy cards in consecutive years. Athletes who have been approved for an injury, illness and pregnancy provision will be exempt from clause 12.

Considerations for athletes under the injury, illness and pregnancy provision:

1. Athletes who received an SR1 or SR2 card in the previous carding cycle (2018-2019) will receive:
  - a) 100% of the international performance index points will be awarded from the previous carding cycle if the athlete is unable to complete ten (10) international matches in the current carding cycle;
  - b) 100% of the domestic carding points from the previous carding cycle's carding tournaments will be awarded in the current carding cycle, only for the event that the athlete is unable to compete in. Only the best result of the two will be counted for domestic carding points.
  - c) 100% of the current carding cycle's Senior Canadian Championship points will be awarded based on the athlete's placement in the previous carding cycle at the Senior Canadian Championships, if the athlete is unable to compete at the Senior Canadian Freestyle Championships in the current carding cycle.
  - d) Carding points for number of years carded will follow the yearly progression.
2. Athletes who received an SR or C1 card in the previous carding cycle (2018-2019) will receive:
  - a) 50% of the international performance index points will be awarded from the previous carding cycle if the athlete is unable to complete ten (10) international matches in the current carding cycle;
  - b) 50% of the domestic carding points from the previous carding cycle's carding tournaments will be awarded in the current carding cycle, only for the event that the athlete is unable to compete in. Only the best result of the two will be counted for domestic carding points.
  - c) 50% of the current carding cycle's Senior Canadian Championship points will be awarded based on the athlete's placement in the previous carding cycle at the Senior Canadian Championships, if the athlete is unable to compete at the Senior National Freestyle Championships in the current carding cycle.
  - d) Carding points for number of years carded will follow the yearly progression

Athletes will only have access to clauses 1a and 2a above, if their health-related reason (illness, injury or pregnancy) has been so substantial that they have not been able to compete for a minimum of 10 of the

12 months during the qualification period or at the discretion of the HPD. It is expected that the athlete will be able to return to competition during the next carding cycle.

In addition to the requirement that the affected athlete (currently holding a card) must meet in order to re-qualify for carding based on his/her point total, the coach must submit a written petition to the High Performance Director, prior to the weigh-in for the event. The petition must include the following:

- The official WCL Inability to Participate Medical Certificate, completed by an approved WCL physician prior to the nearest upcoming carding event, and approved by the WCL CMO, indicating the date and nature of the injury with the prescribed rehabilitation program and an estimated recovery period.
  - A full medical recovery must be possible within the next carding period
  - WCL reserves the right to have a second medical opinion
- For the duration of the injured athlete's inability to fulfill their training and competitive commitments, which are part of the carded athlete's contract, the athlete must commit, in writing, to train and/or rehabilitate under the supervision of WCL. This must be done at a level that mitigates risk to the athlete's personal health and ensures a timely return to a full training and competitive program that is in line with the other members of the National Team.

## **14 – CARDING CONTRACT & RESPONSIBILITIES**

Athletes are nominated for carding by WCL to the Sport Canada Athlete Assistance Program. An athlete's carding status is subject to the obligations and commitments as detailed in the WCL Carded Athlete Contract (which will include, but not limited to, annual competition, training, and Edge 10 monitoring requirements) and the Sport Canada Guide to Athlete Assistance.

## **15 – FINANCIAL BENEFITS**

More information on AAP financial support can be found at: <http://www.pch.gc.ca/eng/1267374509734>

## **16 – ATHLETE WITHDRAWAL AND NON-RENEWAL**

Athletes may lose their carded status or have their carded status withdrawn under the following conditions:

- Non-renewal of carded status;
- Failure to meet training or competitive commitments;
- Violation of the athlete/NSO agreement;
- Athlete's failure to meet responsibilities outlined in AAP policies;
- Gross breach of discipline; and
- Fraudulent misrepresentation

The High Performance Director may recommend the withdrawal of an athlete's carded status to Sport Canada, under the following conditions:

1. Provide a verbal warning to the athlete, including the steps and timelines to remedy the situation and the consequences of a failure to heed the warning;
2. Where applicable, follow up with a written warning to the athlete;

If the above steps are not successful in resolving the matter and WCL still wishes to recommend withdrawal of carded status, WCL must send a letter to the Sport Canada Program Officer and the AAP Manager with a copy of the athlete's carded status. This letter must indicate:

1. The grounds on which the recommendation is being made;
2. The steps already taken to address the issue (verbal warning followed by a formal letter of warning);
3. Provide notice to the athlete of the athlete's right to contest the WCL recommendation to withdraw carded status through WCL's internal appeal process within the prescribed time.

## **17 – APPEALS**

Appeals of WCL's AAP nomination/re-nomination decision or of a WCL's recommendation to withdraw carding may be pursued only through the WCL's Appeal Policy. Appeals of AAP Decision made under Section 6 ([Application for and Approval of Cards](#)) or Section 11 ([Withdrawal of Carding Status](#)) may be pursued through Section 13 of the AAP Policies, Procedures and Guidelines.

## **ANNEX A: INTERNATIONAL PERFORMANCE INDEX SYSTEM**

### **1 – INTRODUCTION**

The objective of the international performance index system is to develop an objective ranking of athletes based upon their international performance throughout the qualification period. The utility of such a system is as follows:

1. To enhance the World team and Olympic team selection process by identifying those athletes capable of performing at the world-class level on a consistent basis.
2. To have a system capable of quantifying performance such that objective performance goals can be clearly stated and progress towards those goals can be effectively monitored and evaluated by WCL and its performance partners.
3. To provide athlete accountability.

International podium performances, top 8, and top ½ competing entries provide the framework for our performance standards.

### **2 – METHOD**

The ability to accurately measure international performance is essential for the performance index concept to be implemented effectively.

Tournament placement by itself is not a comprehensive indicator of performance; particularly for rankings beyond 4th place. The randomness of the draw allows the element of chance to influence the tournament results in an unpredictable fashion. Moreover, the ranking method tends to only evaluate an athlete when he/she performs well and gives no feedback when he/she performs poorly.

The way wrestlers win/lose (e.g. by Tech Fall, by Points, and the final points differential of the match) affords an opportunity to examine an athlete's performance capabilities in more detail and on a more consistent basis. Also, by classifying the opponent's quality based on best historical results, the athlete's overall win/loss record can be assessed quantitatively.

The International Performance Index System is calculated based on a "Match Quality Formula" applied to every one of the matches held by our wrestlers at UWW sanctioned, WCL informed international tournaments:

<b>Formula for Matches ended by Tech Fall and Points (any won match regardless the scoring, lost matches only if CAN wrestler scored 2 pts minimum):</b>	<b>Formula for Victories by Fall (Pinning)*:</b>
$Mq = Oq + SGI$	$Mq = Oq + 1$
<p>Where:</p> <p>Mq = Match Quality</p> <p>Oq = <b>Opponent quality</b>: ranging from 0.7 to 4.0, based on the Best Historical Result of the Opponent according with tables 2.1 to 2.4.</p> <p>SGI = <b>Scoring Gap Index</b>: The SGI is calculated by subtracting lost points to the scored ones, then dividing the result by 10. In this way, the index should range between 0.0 and 1.0 - this last as result of the minimum scoring gap to win by technical superiority (10 pts scored – 0 points lost / 10 = 1.0). If the scoring gap is higher than 10 (e.g. a win by Tech fall where the winner scored 12 pts vs. 0 from opponent), it will be normalized as 10.</p> <p>* In occasion of victories by pinning, as it is considered the ultimate way to win in wrestling, the formula does not consider the scoring index. In this way, a winning by pin would worth same as victories by Technical Superiority.</p>	

The following matches won't be considered to get International Performance Index:

- Matches won by Forfeit
- Matches lost by Pin, regardless points scored-lost.
- Any lost match by any other method (tech fall, points, injury) if the Canadian wrestler did not score at least 2 pts. NOTE: in this case, the SGI will be negative thus this negative value will be subtracted from the Opponent's quality value.

Example:

Match against a 2017 bronze medalist in an Olympic Weight Class, whose Oq is 3.3 (see table 2.1):

<b>Match won by points 7 - 3</b>	<b>Match lost by points 3 - 7</b>
$Mq = Oq + SGI$ $3.3 + 0.4 = 3.7$	$Mq = Oq + SGI$ $3.3 + (-0.4) = 2.9$

If, as result of a negative SGI value against a wrestler with low Oq value, the MQ results negative, such match won't be considered to get any international carding points.

Only head-to-head competition against recognized opponents (see table 2.1, 2.2 and 2.3 below) are considered for international performance index purposes. The opponent's previous senior, U23 and Junior record is examined to determine if the opponent can be classified based on previous best placement at the World/Olympics or Continental Championships.

Applying Tables 2.1 to 2.3: Opponents' Previous International Performance Criteria Grid, WCL will be able to effectively classify opponents. Previous performance criteria apply to the past 4 years at the specific weight class and style that the opponent is currently competing in. Best results in Olympic weight classes are considered with higher value than the Non-Olympic ones, resulting in differentiated tables.

An athlete will be able to amass performance index points in any senior weight class, but additional requirements are set for Non-Olympic performers.

It should also be noted that in the competitions listed above, countries are only able to send one athlete per weight class. As such, athletes that have the wrestling ability to be among the top in the world are not able to compete thus they may be unranked at World, Continental Championships or Olympic Games but may attend other international tournament and face Canadian athletes. Table 2.4 has been established to allow for a point structure that allows countries to be recognized as having strong wrestling programs. Athletes from countries that have ranked in the Women's Wrestling top 10 or Men's Freestyle top 10 at the most recent Major Event (World Championships or Olympic Games) will be classified based on those tables.

Any other international opponent not classified in the above Tables, at an approved tournament (see article 4.9), will be worth 0.7 points.

### 3 – CALCULATION OF THE INDEX

The international performance index more accurately reflects an athlete's ability to compete internationally as the number of matches increase. Therefore, it is essential that carded athletes compete in a sufficient number of tournaments to accurately assess their performance capabilities.

A minimum of 10 international matches are required in order to calculate the performance index for carding purposes. These matches must be accumulated within the qualification period (the completion of one Senior Canadian Championship to the next). If the athlete is short 10 matches as of the cut-off date, the index will still be calculated and the point total will still be divided by 10.

Regardless of number of matches wrestled, the total will always be divided by 10.

#### CALCULATION EXAMPLE:

Match number	Oq	Outcome	Pts Scored	Pts Lost	Scoring Index	Points by Formula	Considered
1	1.8	Won	8	3	0.5	2.3	✓
2	1.9	Won	10	7	0.3	2.2	✓
3	2.0	Lost	4	4	0.0	2.0	✓
4	1.2	Won	9	4	0.5	1.7	✓
5	0.7	Won	8	0	0.8	1.5	✓
6	1.7	Lost	8	10	-0.2	1.5	✓
7	1.0	Won	5	0	0.5	1.5	✓
8	0.8	Won	9	2	0.7	1.5	✓
9	1.2	Won	3	3	0.0	1.2	✓
10	0.9	Won	6	4	0.2	1.1	✓
11	0.0	Won	10	0	1.0	1.0	
<b>TOTAL</b>						<b>1.6</b>	

Index = 16.5/10 (total points divided by 10 best matches) is equal to an International Performance Index of 1.7

NOTE: The index will be rounded to one decimal place.

#### 4 – RULES FOR INTERNATIONAL PERFORMANCE INDEX

1. **Athlete's Responsibility:** Each individual athlete has the responsibility to maintain a record of all international matches and to verify results produced by WCL within one week of receiving a WCL summary.
2. **Coaches' Responsibility:** Coaches have the responsibility to verify any results reported by WCL with their individual athletes. Coaches and athletes will have one week after the publication of the performance index to report errors or omissions. After this date the athlete's results will not be adjusted.
3. **WCL's Responsibility:** The Performance Analyst Coach, under the direction of the High Performance Director has the responsibility to maintain an international competitive record for all carded athletes.
4. **Style:** Opponents are classified according to the style that they are currently wrestling in.
5. **Injury:** No credit will be given if an opponent does not show up for a match or defaults the match due to injury regardless of the score at the time of the injury.
6. Only United World Wrestling sanctioned tournaments that have been accepted by WCL will be approved for international performance index purposes.
7. **Carding:** A minimum of 10 international matches are required in order to calculate the performance index for carding purposes. These matches must be accumulated within the qualification period (the completion of one Senior Canadian Championship to the next). If the athlete is short 10 matches as of the cut-off date the index will still be calculated and the point total will still be divided by 10.
