REPORTING SUSPICIONS OF CHILD MALTREATMENT

*If a child or youth is in immediate danger or risk, call 911 or your local police.

Contact your local authorities if you have a reasonable suspicion that a child or youth is a victim of any form of abuse or neglect. Reports of abuse or neglect not involving a minor may also be reported to local authorities.

REPORTING SUSPICIONS OF MISCONDUCT OR OTHER SERIOUS CONCERNS

Individuals who participate in the sport of wrestling in Canada have the right to participate in a sport environment free from abuse, harassment, and discrimination. If you are concerned about the welfare of a child, youth, or other participant, please report your concerns:

1. National Team & WCL Activity Related Concerns / Complaints:

WCL has commissioned Sport Law & Strategy Group (SLSG) to act as an independent third party to receive complaints on behalf of WCL, until such time as WCL is in a position to offer a more permanent solution.

Contact SLSG (ajk@sportlaw.ca) to report potential misconduct such as emotional, sexual or physical misconduct, bullying, hazing, or harassment.

2. Provincial Team Activity or Club Related Concerns / Complaints:

Contact your [Provincial / Territorial Wrestling Organization](#) to report forms of misconduct such as emotional or physical misconduct, bullying, hazing, or harassment.
