***TRAINING:**

Training is required to be completed at least once every 4 years. If the certification expires or the training program has been substantially updated to include new important information and resources, individuals will be required to undertake new training, as directed by WCL.

NOTE: Participants that only require CAC Safe Sport Training but have already completed Respect in Sport (RiS), will not be required to additionally complete CAC Safe Sport Training until the start of the next respective 4-year renewal cycle, or unless the program has been substantially updated, or as directed by WCL.

^SCREENING:

Additional information on revised screening requirements, which complement the overall Safe Sport Matrix (above) will be available in the new year, following the completion of the review and adoption of the Safe Sport Policy Manual.
