

## **REQUEST FOR PROPOSAL**

## **CANADA CUP 2022**

March 2021

---

## **INTRODUCTION**

The Canada Cup is operated under sanction of Wrestling Canada Lutte (“WCL”) and United World Wrestling (“UWW”) in accordance with the [Hosting Regulations – Canada Cup](#) (“Regulations”).

WCL is seeking bids, on a best bid basis, from Host Organizing Committees (HOCs) to host the 2022 Canada Cup to be held June 30 - July 3, 2022, under the defined Regulations.

*Please note that these Regulations are subject to change in order to respond to additional COVID protocols or other government (Federal, Provincial or Municipal) or Public Health Agency requirements, restrictions or approvals. There are currently many unknowns due to COVID that could impact the hosting of this event.*

*In addition to various new requirements and protocols that the HOC may need to meet to satisfy the various Government and Public Health Agencies directives, the Government of Canada also requires a special authorization for all International Single Sport Events to enable foreign individuals to travel and enter Canada. Once an HOC is selected, WCL and the HOC will work towards seeking the GOC’s authorization.*

## **EVENT**

The Canada Cup will include the following schedule:

- Thursday: Team arrivals
- Friday: Team arrivals, Set-up & Technical Meetings
- Saturday: Senior Women & Men’s Freestyle competition
- Sunday: Team departures

## **PARTICIPANT DETAILS**

Participation at the Canada Cup varies from year to year depending on location and local athlete participation, however historical average participation consists of 100-130 wrestlers, 30-40 coaches and support staff, 20-30 Officials & Pairing Masters and 3-5 WCL Staff VIPs & Dignitaries. The event on average attracts up to 500 spectators.

Note: Venue Setup and takedown typically occur on the Friday and Saturday (evening).

## **ARRIVAL & DEPARTURE**

On average, about 30% of participants typically arrive on the Thursday, with the remainder arriving on Friday. Typically, about 10% depart on Saturday, with the remaining participants departing on Sunday. Majority of the participants will double up in rooms with two beds. See regulations for minimum commitment of rooms.

## BID PROCESS

Interested parties should provide WCL with a letter of interest by April 15, 2021. Interested parties can submit any questions or requests for additional information through email ([info@wrestling.ca](mailto:info@wrestling.ca)) prior to April 15, 2021. WCL will provide written responses to any and all parties that have provided WCL with the above letter of interest no later than April 30, 2021.

Interested parties will have until May 13, 2021 to submit their completed and signed Bid Application (Refer to Appendix B) electronically to WCL. **Please submit your application in a single PDF document.**

All applications will be reviewed and assessed by WCL's Events and Hosting Advisory Committee ("EHAC"). Applications that fail to meet the required Hosting Regulations may be rejected unilaterally by the EHAC.

All other submissions will be assessed by the EHAC, based on the Scoring Matrix in Appendix A.

Based on the Scoring Matrix, the EHAC will make a recommendation to WCL Board of Directors, who will approve the successful applicant and award the event. WCL will inform all applicants, in writing, of the outcome of the bid process, within 14-calendar days of the WCL Board decision.

It is expected, an announcement will be made by early June, 2021.

The successful applicant will be required to provide WCL with contracts for both the venue and hotel, and sign a Hosting Agreement within 6 weeks of being awarded the bid.

## SUBMISSION OF BID APPLICATIONS

Completed bids for Canada Cup 2022 must be submitted electronically no later than May 13, 2021 to WCL and include the following:

- Sign & Complete Bid Application document (please use format as per Appendix B)
- Event Budget
- Details on Host Organizing Committee and key personnel
- Venue Confirmation
- Hotel Confirmation
- Letters of Support from PTSO, Club, Tourism/Municipal office (if applicable)

In completing your bid, it is critically important for the candidate to be very familiar with the requirements outlined in the regulations. Submissions should be succinct but provide sufficient information to enable WCL to analyze, assess and compare the submission. It is optimal if the applicant is able to secure funding agreements prior to submitting their bid, however it is acceptable for applicants to simply identify unconfirmed sources (provide details) as well.

**Bids are to be submitted electronically, in a single PDF document, to:**
