How to get started:

1. Log in to the Locker
2. Update your profile and email preferences.
3. View your coaching qualifications transcript under the Certifications tab.
4. Find available training events for your sport.
5. Take online eLearning modules through the eLearning tab.

Additional coach training information, resources, and tips are available on www.coach.ca.

Contact us if you need help.

Step 2: Click on the Certification tab

- You will see information on the training/evaluation for all multi-sport training and every program, from every sport, you have been trained on here.
