1 – INTRODUCTION

This document outlines the process and criteria to be used by Wrestling Canada Lutte (WCL) for selecting athletes, coaches, and staff to Team Canada for 2026 U20-Junior Team events specified hereunder, as well as any other domestic or international training/competitive opportunities that will be part of the U20-Junior Team programs.

WCL is under no obligation to send complete teams to events. Fulfillment of team spots is subject to athletes meeting the necessary qualification and eligibility criteria as outlined by WCL and other external stakeholder agencies, where applicable.

All deadlines noted herein are subject to change based on United World Wrestling (UWW) timelines.

This document will be in effect from the completion of the 2026 U20-Junior Canadian Wrestling Championships to the start of the 2027 Canadian U20-Junior Wrestling Championships.

For questions or clarifications on the contents of this document, please contact the High Performance Director (HPD): cwoodcroft@wrestling.ca.

2 – DECISION MAKING AUTHORITY

The High Performance Director (HPD), or their designate, is responsible for the development and implementation of a selection process that is fair and equitable for all candidates.

The process outlined in this document was drafted and prepared by the HPD in consultation with the U20 Program Lead and club coaches. Oversight was provided by the Athlete Council and the High Performance Advisory Committee (HPAC – composed of coaches and athletes). Final approval of the policy was made by the WCL Board of Directors.

The High Performance Manager (HPM) will support the HPD in ensuring that the process outlined in this document is properly followed when making any selection decisions. The final decision-making authority for team selection remains with the HPD.

During the actual competition period onsite at Championships or other national team events, all final decision-making authority will reside with the Team Leader.

*NOTE: Where “HPD discretion” is specified, the following performance-based criteria for team selection includes, but is not limited to:

- Current domestic and international results, including head-to-head results;
- Yearly training plan (YTP);
- International Performance Index (IPI);
- Previous competition experience;

All Greco-Roman events and activities are self-funded.

6 – WCL RANKING EVENTS

- Training history pertinent to Greco-Roman;
- Greco-Roman competition history and results;
- 2026 Training plans and YTP pertinent to Greco-Roman submitted as part of the event application process.

Male athletes will NOT be permitted to compete in both Freestyle and Greco-Roman styles if they are nominated and selected to both teams.

8 – 2026 U20-JUNIOR PAN AMERICAN CHAMPIONSHIPS

Women’s Wrestling (WW) & Men’s Freestyle (FS)

- The top ranked athlete from the 2026 U20-Junior Canadian Wrestling Championships in each weight class will have first right of refusal of selection.
- Where the top ranked athlete declines their selection, the true second ranked athlete may be considered for a performance-based selection, or no selection may be made.
- Participation at the 2026 U20-Junior Pan American Championships will be a mandatory part of the selection process for eligibility to the 2026 U20-Junior World Championships. In exceptional circumstances, keeping the best interest and long-term development of the athlete in question, in consultation with the HPD, and the athlete’s personal coach, an alternate competition pathway may be considered.

9 – 2026 U20-JUNIOR WORLD CHAMPIONSHIPS

Women’s Wrestling (WW) & Men’s Freestyle (FS)

- The top ranked athlete from the 2026 U20-Junior Canadian Wrestling Championships in each weight class may be selected to the 2026 U20-Junior World Championships team.
- Selection decisions will be made following an evaluation conducted by the HPD in consultation with the U20 Program Lead, and will be based on the following performance criteria:
 - Whether the athlete achieved a Top 3 ranking at the 2026 U20-Junior Pan Am Championships;
 - Performance evaluation at various national and international training and competitions including the Pan Am Championships and commitment to the 2026 U20-Junior Team Program.
- Where the top ranked athlete declines their selection, the HPD in consultation with the U20 Program Lead and personal coach, may make a performance-based nomination or no nomination may be made.

10 – U20-JUNIOR TEAM EVENTS

Selection for all other U20 Team events (with the exclusion of U20 Pan American Championships and U20 World Championships) will be based on the following ranking in order of priority (weight class specific):

1. 2026 U20 Canadian Wrestling Championship Gold Medallist
2. 2026 U20 Canadian Wrestling Championship True Second rank*
3. 2026 U20 Canadian Wrestling Championship True Third rank*
4. HPD discretion

*True Second and True Third rankings occur after True Second ranking matches, if applicable.

11 – PERFORMANCE READINESS & INJURY

Selected team members and alternates will be required to demonstrate a commitment to an HPD approved and mandated training and competition program, leading into and throughout the 2026-2027 competitive season WCL identified training camps and competitions are a necessary part of an athlete's preparation program and are, therefore, mandatory.

Athletes are also expected to undergo regular monitoring against the WCL Gold Medal Profile (GMP), so programming can be adjusted to address identified gaps. The HPD will work closely with the selected athletes and their personal coaches to ensure that their program has the required elements for success.

All athletes will have their injury/health status assessed by WCL approved medical staff after selection to ensure a proper approach to their health management.

Both athletes and personal coaches must communicate with the HPD, HPM, U20 Program Lead and IST staff to collaborate on best practices and ensure optimal preparation for events.

Once selected to an event, athletes who do not remain competition ready because of lack of fitness, injury or illness may be removed from the team at any time. Athletes are required to immediately report any injury, illness, or change in training that could affect their ability to compete at their highest level. Notification must be sent to the HPD.

Where the HPD deems that an athlete is not following the WCL mandated YTP, WCL reserves the right to remove that athlete from the team for a given event.

12 – REMOVAL OF AN ATHLETE ONCE SELECTED

The HPD reserves the right to withdraw an athlete from selection:

- If the athlete has not fulfilled their responsibilities with respect to mandatory training camps, testing, and competitions;
- If the athlete has not fulfilled their responsibilities as identified in the WCL Agreement;
- If the athlete is found to be in breach of the WCL Code of Conduct by a duly appointed disciplinary panel in accordance with the WCL Discipline Policy;
- If the athlete has been found to have committed an anti-doping rule violation by an Anti-Doping Organization with jurisdiction over the athlete. For the avoidance of doubt, this could include Sport Integrity Canada, UWW, the IOC, or a National Anti-Doping Organization from the country in which the athlete is located and is subject to doping control;
- If the athlete is unable to perform due to lack of fitness, injury, illness or other medical reasons as supported by the WCL Chief Medical Officer.

If an athlete is removed, it is WCL's intention to have the alternate in the specific weight class fill the spot if they have met all athlete eligibility criteria, competitive readiness and WCL is able to meet any late

replacement process/timelines. If no suitable alternates are found, the HPD reserves the right to not select or fill a team spot.

13 – CLUB ATHLETES ON WCL DESIGNATED TRIPS

Provincial / club athletes must be approved by the HPD prior to participating in WCL National Team trips. Considerations for approval include, but not limited to, having achieved a Top 3 ranking in an Olympic weight class or a Top 2 ranking in a non-Olympic weight class at the 2026 U20-Junior Canadian Wrestling Championships or with HPD discretion. These athletes must demonstrate the ability to participate safely in the desired event and must comply with WCL and UWW regulations.

Athletes/coaches will be required to provide an athlete's recent competitive and training history, including the submission of 2026 training plans and YTP as part of the event application process. Where there is a restriction in registrants per weight class, priority will be given to athletes who are identified as NextGen athletes.

14 – CLUB ATHLETES PARTICIPATING IN NON WCL DESIGNATED UWW EVENTS

Any athletes intending to compete in a non-WCL designated UWW event must be sanctioned by the HPD prior to participating. Requests for consideration to the HPD must be received no later than two months prior to the event in question. These athletes must demonstrate the ability to participate safely in the desired event and must comply with WCL and UWW regulations to be considered.

15 – ADDITIONAL UWW SANCTIONED EVENTS

Where a new event not included in the present selection criteria is added to the UWW calendar and WCL considers that participation is warranted, selection criteria for the event will be clearly communicated to all eligible athletes prior to any nominating event(s) or nomination occurring.

16 – ANTI-DOPING

Athletes may be requested to submit to doping control by any Anti-Doping Organization that has testing authority over them. This includes Sport Integrity Canada, any National Anti-Doping Organization of the country in which the athlete is located, UWW, WADA and the IOC. Athlete Support Personnel, which includes, inter alia, coaches or any other person who is working with, treating or assisting an athlete, are also subject to the anti-doping rules of relevant anti-doping organizations, such as Sport Integrity Canada, UWW, WADA or the IOC.

Should an athlete, coach or other athlete support personnel commit an anti-doping rule violation, that individual, in addition to other sanctions, will be removed from the Championship Team.

Team members may be required to complete the Sport Integrity Canada e-learning course prior to competing internationally.

17 – SUPPORT STAFF SELECTION

Support staff will be selected on the principle of sending a team of specialists that are best capable of assisting and supporting the athletes in achieving podium performances at events, as well as contributing to a “winning well” team culture.

Any decisions on the distribution of accreditations falls within the authority of the HPD. The HPD may make changes to the team staff as necessary to maximize athlete opportunity for success.

Support staff selections will follow the principles of WCL’s Coaches Selection Policy (as amended from time to time) and may include, but not limited to the following:

- Team Leader
- Lead Coach
- Support Coach
- Mentee Coach
- Medical support personnel

18 – APPEALS PROCEDURE

WCL team selections may be appealed in accordance with the procedures set out in the WCL Appeal Policy (as amended from time to time).

19 – COMMUNICATION

WCL respectfully requests that the PTSOs share this document to their constituents by posting on their respective websites and email distribution. The responsibility of reading and understanding the policy lies with individual participants.

The policy will also be presented to the Athlete Council and athletes in general via a Town Hall Zoom Meeting.

Should any subsequent amendments be made to these Selection Criteria, they will be circulated via email to all PTSOs as well as posted on the WCL website.

Communication of the final team (athletes and staff) and any changes in nomination will be posted on the WCL website and circulated via email to all PTSOs.

20 – MODIFICATION OF THIS DOCUMENT/UNFORESEEN CIRCUMSTANCES

In the event that circumstances beyond the control of WCL arise, including but not limited to force majeure events, pandemics, changes made by UWW, or WCL, that prevents the fair implementation of these nominating procedures, as written, the HPD reserves the right to determine an appropriate course of action, which may include the right to review and change any part of the document.

This clause shall not be used to justify changes after a competition or selection event which formed part of this document unless it is related to an unforeseen circumstance as described immediately above. This also allows for changes to this document that may become necessary due to a typographical error or a lack of clarity in a definition or wording before it has an impact on athletes.

In the event of a change to this document, WCL shall inform the membership of the changes and the reasons for those changes as soon as possible.

Further, situations may arise that do not allow these procedures to be modified or applied as written due to time constraints or other exceptional and unforeseen circumstances. In such situations, any decision, including nomination decisions, will be made by the individual(s) with decision-making authority, as stated in these procedures, in consultation with the relevant individual(s) or committee(s) (as applicable), and in accordance with the stated performance objectives and selection philosophy and approach as stated herein. Should it be necessary to make any decision in this manner, WCL will communicate with all affected individuals as soon as possible.
